

FINGER LAKES
INTERNATIONAL
WINE
COMPETITION

The Finger Lakes International Wine Competition judges wines from more than 15 countries with over 3,000 entries annually.

U.S. NATIONAL
WINE COMPETITION

The U.S. National Wine Competition is based on excellence. Judges compare a variety of grape values and flavor contrasts from region to region.

Gold Medal winner from the Beverage Testing Institute for Best World Value, which compares wines of the same cost to determine those of the best flavor and quality.

Best Buy winner from the Beverage Testing Institute for Best World Value, which compares wines of the same cost to determine those of the best flavor and quality.

The Governor's Cup is a competition in which more than 52 major wineries in New Jersey compete for titles in various wine categories.

Awarded the Beverage Tasting Institute's Highly Recommended rating in 2014 against similar wines in the category.
